I hope this letter finds you well. SPORTIVO, the official sports club of Future Institute of Engineering and Management, eagerly approaches you today with a spirited request.We seek your esteemed permission to utilise **the College ground, located beside the FHS BUILDING** for the much-anticipated **Xaplotes Shuttle cup 2026**, our annual intra-college Badminton Championship. This electrifying event, scheduled from **9th January 2026 to 10th January 2026** promises to be a riveting display of athleticism, friendly competition, and FIEM's vibrant spirit.

The Xaplotes Shuttle Cup Is an Intra-College tournament aimed at promoting athletic excellence, fostering sportsmanship, and encouraging active participation in badminton. We believe the ground beside the FHS building provides an ideal location due to its accessibility, size, and convenience for hosting the event.We assure you that all arrangements will be made to ensure the smooth conduct of the event.

For this event to be a resounding success, we require the following support from the college:

- **Ground Preparation**: We request the assistance of a person to cut the grass and make the ground in optimal playing condition before the tournament.

- **Scorekeeping**: To ensure transparent and accurate scorekeeping, we would appreciate the provision of a scoreboard, tables, and chairs.

Your approval and support would mean a great deal to the SPORTIVO team and the participating students. We are confident this event will bring pride and recognition to our institution.
